### Join our Community

Welcome to America Media, A Jesuit Ministry, our growing multiplatform media ministry serving as the leading producer of multimedia content for thinking Catholics and those who want to know what Catholics are thinking.

With our growing network of supporters, America Media can continue to be the smart Catholic take on religion, politics, society and the arts that generations of readers have come to expect. With the assistance of readers and friends like you, a community of Catholic leaders, that seek a common end: to heal the breach in civil society with conversations, centered around faith, that transcend ideological or partisan interests. Faith and reason together remain a cornerstone of our civic discourse.

The America Media community feels a deep connection to the Jesuits and our mission to “find God in all things”—a connection that nourishes spiritually and intellectually, inspiring conversation and action.

America Associates are a part of our diverse community of leaders, scholars, politicians, business men and women, clergy, teachers, volunteers and community members, who are committed to pursuing the truth in love, in having a civic and ecclesial conversation that is intelligent, balanced and above all charitable.

The America Associates unrestricted gifts allow us to meet the daily (and growing) operating costs of a modern media ministry. Please consider membership in the America Associates in one of our six donor categories. Thank you for your support!

### Special Gifts

In addition to your cash gifts, which fund our annual operating budget, there are several ways you can help secure America Media's future for decades to come:
